

Hooray...Let's Go On Holiday: The Adventures of Willy Fog - Year 1

Successful Learners

Areas of Learning

As mathematicians, we will be counting and writing numbers to 100, in numerals. We will be learning about how to make equal groups and also how to add equal groups together. This will lead to learning how to share equally. We will be learning to double and halve numbers and how to use our number knowledge to solve word problems. We will be learning to find halves and quarters of shapes.

As writers, we will be text mapping information about the 4 countries in the United Kingdom. We will be finding out about tourism in Mexico and using this to write a persuasive leaflet. We will be writing about the adventures of Willy Fog and making up our own.

As artists we will be looking at famous paintings of beaches and painting our own. We will be using sand to create our own abstract pictures.

As geographers, we will be comparing two places in the United Kingdom. We will be talking about the location of hot and cold areas around the world in relation to the Equator and North and South Poles. We will naming, locating and identifying the four countries within the United Kingdom. We will be using world maps, atlases and globes to identify the United Kingdom, the seven continents and the five seas.

As historians, we will be looking at our own past holiday events.

As scientists, we will be focusing on the changes that occur within the four seasons as well as observing and describing the weather associated with each season.

As sportspeople, we will be moving in different ways as well as exploring dances around the world.

Learning Skills

This half term, we will **CAPTURE** our learning by **Thinking**, we will:

- Look at how to bring our ideas together to help us learn.
- Think about how our prior learning links to new learning.

Life Skills

Life skills including personal, social, health, spiritual, cultural and economic will focus on **financial capability**, we will:

- know where money comes from
- consider the ways the children can use money in their own lives.
- understand why we need money.
- know some of the essentials that must be paid for.

Values

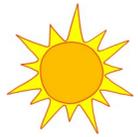

Our value this half term is **Kindness**, we will:

- Know what kindness is and how to show it at school and at home.
- Learn about what refugees are and why they might have to leave their country.
- Learn about the difficulties refugees face starting a new life.
- Think about what we can do to show kindness and help refugees.

Wray Common Citizens

As members of a **community**, we will:

- Be learning about different countries and will compare people's lives to our own
- Be learning about the impact of tourism on wildlife such as sea turtles

Hooray...Let's Go On Holiday: The Adventures of Willy Fog - Year 1
