

We hope you have been enjoying sharing books together over the past week. Please keep making up stories from the pictures and sharing books together. Thank you for recording your home learning in the home learning journals. Keep it up!

Reception Topic Web Sep-Oct 2017

Here are some of the things that your child is learning this half term. Please support us by talking to your child about the learning and reinforcing it at home.

We will be singing lots of new songs! Ask me about the new songs I have learnt.

We will be introducing Numicon and focusing on numbers between 1 and 10. We will be singing lots of number songs, counting objects and playing maths games. Please support your child with their maths understanding by spotting numbers in your home environment.

In phonics, we will be focusing on our listening skills, making different voice sounds and spotting rhythm, rhyme and alliteration. Soon we will be starting to explore sounds and look at letter formation.

We will be completing lots of activities to make our fingers strong for writing. Cutting with scissors and practicing writing their name in our special Wray Common writing are great activities you could encourage at home.

We will be thinking about what makes us unique and special. We will look closely at our faces and noticing differences. We will use painting skills to paint our very own portraits.

We will be reading and retelling the story of 'Elmer' and celebrating 'Elmer Day.'

We will start PE lessons inside soon. Please make sure their PE kit is in school every day and all clothing is named. We will have PE on a Wednesday.

Help yourself to the 'Legendary Learning' sheets by the door. These are for when your child does some learning at home that you want to share with us. We love hearing about what your child does at home.

We will be making our own elephants using plastic milk bottles. Please bring in any sized, washed milk bottles.

CAPTURE

We will capture our learning. This half term we will be capturing our learning when we Collaborate. We will focus on how to work together in a team and work on building relationships with our new classmates and teachers.

The value this half term is **Courage**. We will be showing courage when trying lots of **new things for the first time in our new school.**
