

Dear Parents/Carers

26th January 2018

As we approach the end of this half term, we are preparing to welcome the new swimmers for the second 16 lesson block. Sessions will start from Monday 19th February onwards. This block will be for Reception, Year 3 and Year 5 children. The timetable for these sessions will be published in this week's Newsletter.

In order for us to establish the correct grouping for your child, we are asking all Reception parents/carers and parents/carers of children who are new to the school, to complete the attached form to confirm your child's swimming ability. The form should be clear; please let us know if your child has lessons outside school and what level/stage/distance your child has reached. For Reception children, it is especially important for us to know if your child is a complete **non-swimmer**. Please return this form to the school office by **Monday 5th February**. Class lists will then be given to the teachers before the half term break. We hope that many parents/carers will be able to come and volunteer to support the children through their lessons, so if you are able to help, please let your class teacher know.

A reminder please, that ALL children need a **hat, a sensible named one piece swimming costume and a towel in a named bag.**

Thank you.
