

## Wray Common Primary School Sports Premium Funding 2017/2018

At Wray Common we recognise the importance that PE has on the physical activity, health and wellbeing as well as the educational achievement of children. Our Sports Premium Funding is being spent to allow our children to become more physically active, to experience competition, to be aware of being healthy and to possess the skills that allow them to enjoy sport.

We received £10,200 for the academic year 2016/2017 and will receive £20,450 for the academic year 2017/2018. The following table outlines how this money is to be spent.

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	95%
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	95%
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	100%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	Yes

Academic Year: 2017/18	Total fund allocated: £20,450	Date Updated: 26.03.2018		
<b>Key indicator 1:</b> The engagement of <u>all</u> pupils in regular physical activity - Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school				Percentage of total allocation: 20%
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
To provide all children with two hours of timetabled Physical Education per week (within the curriculum only) and have extra-curriculum provision in addition to this.	Spare PE Kit - Every class has been provided with 5 sets of shorts and T-shirts with a bag.	£4,000	Children are no longer missing PE lessons due to lack of kit. This allows teaching to be more consistent and progressive with all children participating in every lesson.	
To ensure all pupils are motivated and engaged in regular physical activity.	Playground equipment and resources for all year groups, to encourage active play during break and lunchtimes.		Children are engaged and active during break times. The amount of physical activity has greatly increased and observations have shown that very few children are now inactive during these times.	Allocated funding will be spent on new playground markings, creating more opportunities for physical activity throughout the school day.
To support children in their development of our school and sporting values; respect, perseverance, team work, courage.			Team work, sharing and creating games are also observed. It is also clear to see the skills that are being taught in lessons are now being practiced in recreational times.	
The majority of children will undertake at least half an hour of physical activity during the school day.				
All children are provided with high-quality swimming provision, engaging in weekly swimming lessons for half of the year.	Regular swimming lessons for all children for a term and a half in the school's swimming pool. Funding helps with maintenance of pool.		Impact of regular swimming evidenced by competency of swimming in Year 6 as reflected above.	Additional swimming provision will be provided to support targeted children to achieve the end of KS2 expectation.
