

We will continue to learn new letter sounds and how to form them correctly in Wray Common cursive script. We will be learning to blend for reading, segment for spelling and we will be practising high frequency and tricky words.

Reception Topic Web Oct-Dec 2018

Here are some of the things that your child is learning this half term. Please support us by talking to your child about the learning and reinforcing it at home.

We will be singing space songs and counting back to zero to blast off!

We will be learning about the planets and comparing them to Earth.

We will be working on our estimation skills and visualisation of numbers. We will be ordering numbers and finding one more than any number. To introduce addition, we will be learning to combine two groups to find out how many there are altogether. Please support your child at home with their new maths passport targets.

We will use our collaboration skills to make a firework inspired piece of art. Our technique will surprise you.

We will be dancing like fireworks to the 1812 overture.

We will be making rockets in our rocket factory using 2D and 3D shapes.

We will be talking about how to be safe with fireworks and sparklers.

We will be using our sound knowledge to write initial sounds, words and captions. You can support your child with writing by using a sound mat at home.

'Legendary Learning' sheets are available on our classroom doors.

We will be reading, retelling and writing about the story 'Whatever Next'.

We will **CAPTURE** our learning. This half term we will be adding to our CAPTURE toolkit, as we Explore new things.

Please, please, please keep hearing your child read.

The value this half term is **Friendship**. We will be learning how to make and keep friends.

We will be making Christmas decorations, Christmas cards and rehearsing for our nativity.
