To be allocated/contingency	£330
Total planned allocation of funding	£94,880

Impact of PPG spend

The school will evaluate the impact on each pupil on at least a half termly basis through the use of our assessment system. In addition to this, other approaches for measuring impact will be used such as the Boxall Profile, case studies, Pastoral Support Plans, TAF reviews and attendance figures. We also collate evidence from a range of monitoring activities such as learning walks, formal observations and children's Survey. Evaluation will focus on academic gains and how pupils' self-confidence has developed as a consequence of the interventions put in place. The impact of PPG spending will be reported to Governors and shared on our website.
