

We will be continuing to learn our letter names and sounds and how to form them correctly, in Wray Common script. We are learning to blend for reading, segment for spelling and practising our high frequency and tricky words. Those digraphs are tricky! Look out for another phonic workshop for parents next half term.

Please, please, please keep hearing your child read and sharing books at home together. Reading new adventures will inspire their own writing and develop their story telling language.

Teddy Bear Picnic  
To launch our 'Tell me a Story' topic, we going to go on a Teddy Bear's Picnic where will be cosyng up together, drinking hot chocolate and reading stories altogether with our bears. Please can you bring a blanket or sleeping bag and of course a teddy bear on the first day back.

Reception Topic Web Jan-Feb 2019  
Here are some of the things that your child is learning this half term. Please support us by talking to your child about the activities and reinforcing them at home.

We will be reading and learning about lots of different stories and thinking about the different characters, the different settings, the problems they may face and their solutions.

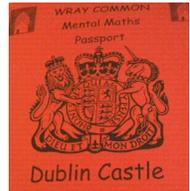

We will be retelling well known stories as well as our own stories through puppet shows, small world exploration and stage productions!

We will continue to our learning. **CAPTURE**  
This half term we will be Collaborating. We will be practising how to take turn and work together through games and then Clara the Crocodile will be looking out for us showing these skills in our learning.

We will continue to count, order and recognise numbers to 20. We will begin to take away using resources and then move to counting back from a number to subtract. We will then be applying our skills to solve addition and subtraction problems. We are still working towards our math passport targets, please make sure they are in school every Wednesday.

We will be inspired by the stories we hear and tell, to label our pictures with captions and beginning to write our favourite parts of well know stories. We will be retelling the story the story of 'Goldilocks and the Three Bear', 'The Three Little Pigs' and 'Three Billy Goats Gruff'

We will be talking about how to keep safe online. We will learn how to use technology respectfully and what to do if we need help. Smartie the penguin will help us.

In P.E will be applying our collaboration skills through team building games. We will have to listen and communicate our ideas to come up with a plan for success.
