

### Modern Foreign Language: The Wray Common Way!

At Wray Common, we focus on enabling KS2 pupils to make progress in either French or Spanish. Teaching provides an appropriate balance of spoken and written language and lays the foundations for further foreign language teaching. We enable pupils to understand and communicate ideas, facts and feelings in speech and writing, focused on familiar and routine matters, using their knowledge of phonology, grammatical structures and vocabulary. The focus of study will be on practical communication.
