Inspiring Lifelong Learning

IT'S COMING HOME! POSSIBLY!

SPECIAL ANNOUNCEMENT!

To celebrate in style on Monday morning, if England win the European cup, children don't have to wear their normal uniform into School but can instead wear something white or red. (this could include their PE kit!)

YEAR 4

Year 4 Sleepover

Last Friday, all of Year 4 enjoyed an exciting sleepover at school! They enjoyed a range of activities including swimming, rounders and football with Mr Burgess before a delicious fish and chip tea from Michelle in the kitchen. After that, they snuggled up in their PJs with blankets and pillows and watched 'Luca' with popcorn which they thoroughly enjoyed! They all had so much fun and were surprisingly energetic despite limited sleep! Thank you so much to all the adults who helped out and made this a memorable and exciting experience for Year 4.

Insect Designers in Year 4

Year 4 have been learning about the impact of climate change on a range of animals and habitats. They decided to design and create an insect which was adapted to various different environments or changes to climate, such as extreme weather including cold snaps and flooding. Here are some fantastic examples from 4P!

YEAR 2

2B's Drop Everything and Dance Day

The music started playing at various points of the day and we had to stop what we were doing and dance. This was in the middle of our PSHE lesson. We finished off the day with a fun and competitive game of musical chairs and a fruit and vegetable snack that the children prepared themselves. A great day for a great cause, Abbie's Army.

2S On Your Marks GET S.E.T. GO!

2S took part in a class marathon where we collectively ran over 30 miles. We celebrated by having ice lollies and having a disco in the rain. We also practised chopping food to make fruit & veg kebabs for DT.

YEAR 5

This week, Year 5 had their Premiere of 'The Storm', the performance that they had worked on last half term with the Guildford Shakespeare Company. Dressed to impress, they strutted their stuff down the red carpet with their cinema snacks, ready to watch their performance on the big screen.

Cameron 5G "All of our acting was really good."

Cleo 5SE "I liked that each performance was unique and we were all in the hall together to support each other."

Louie 5B "It was good to see each classes different actions."

YEAR 6

On Tuesday, Year Six walked for $\frac{3}{4}$ of an hour to the Surrey Council Head Office, where they spent the whole afternoon learning how to be safe from various organisations which included: the Fire Brigade, the Rail way safety, the Police service, Hope UK and the RNLi (Royal National Lifeboat Institution.) We learnt about 'STOP. DROP. ROLL.' if you catch on fire and GET OUT- STAY OUT - CALL 999 or 112. We learnt how to be safe with trains and also learnt about the consequences if you ignore the safety guidelines. Other workshops included online safety presented by Surrey Police, who taught us about online safety, reminding us that once you press the 'send' button on your phone, the text/picture is out of your control. So think before you 'send'. The charity Hope UK told us about usage of drugs -legal and illegal. IF YOU DON'T KNOW WHAT'S IN IT. BIN IT! The RNLi shared advice about being safe near water like rivers and beaches. If you get into trouble when in water, then float on your back, raise one arm and DON'T WAVE just keep it still and shout "Help," and someone would call for help or come to your aid. It was a really interesting and informative afternoon and extremely useful for the year 6 children as we head off to secondary school and become more independent.

MEDICATION

Please note **ALL** medication that the school holds for your child will be sent home on their last day of term. If your child requires medication in school next year, please bring it to school at the start of the new term along with the completed [medical request form](#) which is available on the school website.

PHONICS REPORTS—YEAR 2

Children currently in Year 2 will be bringing home a paper copy of their Phonics report next week. This assessment would normally take place in Year 1 but due to Covid was carried out in Autumn 2020.

Children currently in Year 1 will have their Phonics screening check in Autumn 2021.

WRAY COMMON CITIZENS

On Wednesday 14th July, Frankie in Year 5 will be attempting to read to each and every pupil, in Year two, in a three hour session in the morning. Although my maths is not great, we have 180 minutes to fit in roughly 60 pupils. That works out at 3 minutes each child, without a break. Why is he doing this? It is for Cancer Research and the full reason and details can be found at <https://www.justgiving.com/fundraising/Frankie-Taylo>

NEW ACADEMIC YEAR

From September children will still be expected to come into school on PE days in their PE kit.

(PE days to be confirmed).

HONOUR BOOK

Caterpillars	Joseph	For finding so many opportunities to use his maths learning in class.
Ladybirds	Sienna	For an amazing start to her learning at Wray Common. She is trying her best and is friendly to everyone.
1P	Lola	For amazing effort in writing this week even though she missed all of the learning at the beginning of the week when she was off poorly. Great work Lola.
1W	Skanda	For using fantastic expression and confidence during our "You might be an engineer" performance!
2B	Sam & Alice	For always bringing such positivity and happiness to 2B and being enthusiastic and ready for learning every day. What super role models!
2S	Ava	For working hard all week at telling the time. You have also been amazing at helping other children.
3B	Harriet	For an amazing performance in our GET SET video!
3F	Thomaz	For a great diary writing this week. You used all of your tools independently using the help sheets to support you. Great work!
3R	Zahraa	For making phenomenal progress in all her subjects this year through relentless hard work and dedication. You've knocked my socks off, Zahraa! Well done!
4F	Catherine	For showing respect in the classroom.
4P	Georgie	For settling in so well into life at WC. We love having you in 4P!
5B	Bethany	For great perseverance and reflection in our tricky maths problem solving lesson.
5G	Layla	For her lovely reflection on how she has 'made her mark' since joining Wray Common.
5SE	Eden	For fantastic commitment to her learning and always striving to achieve her best.
6C	Mel	For creating a super range of science learning activities for her GET SET lapbook.
6E	Flora, Jessica & Marina	For their amazing depth of science knowledge and skill and beautiful presentation incorporated in their GET SET lap books.
