COVID PROTOCOLS FOR AFTER SCHOOL SWIMMING CLUBS - WRAY COMMON

Part of attending After school swimming club is compliance with the following protocols which are in place for the children, adults and teachers safety.

1. The changing rooms can be used with children observing social distancing. Children should remember to use the boxes provided for ALL their clothes, shoes and bags.
2. Children will be asked to use hand sanitiser before entering the pool building.
3. Attending parents should wear masks please (unless exempt) and sit socially distanced on the poolside. This is not a legal requirement but with a need for continued vigilance we hope parents will respect this.
4. On exiting the pool children should move quickly back to the changing rooms to change and exit the pool through the main door. The playground gate is currently being used to exit the school premises but we will advise if this changes.
5. Clothing or any other items left in the pool will NOT be removed.
6. In the case where a child is not swimming on a particular day, I MUST be advised, Registers have to be kept and teachers need to be aware when a child cannot attend.
7. All children under 8 must attend with an adult. Wray Common has asked us to clarify that only Year 5 and Year 6 children are allowed to leave class alone and make their own way to the pool and the gate after swimming.
8. If your child attends Camp Glide after school please let us know and we can arrange for them to be escorted back there at the end of swimming.
