

Pupil premium strategy statement

This statement details our school's use of pupil premium (and recovery premium for the 2022 to 2023 academic year) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

School overview

Detail	Data
School name	Wray Common Primary School
Number of pupils in school	460
Proportion (%) of pupil premium eligible pupils	13.04% (60)
Academic year/years that our current pupil premium strategy plan covers	3 years
Date this statement was published	21 st September 2022
Date on which it will be reviewed	1 st September 2023
Statement authorised by	Lloyd Murphy
Pupil premium lead	Pippa Kober
Governor / Trustee lead	Hannah Aitken

Funding overview

Detail	Amount
Pupil premium funding allocation this academic year	£90,025
Recovery premium funding allocation this academic year	£8,265
Pupil premium funding carried forward from previous years (enter £0 if not applicable)	£0
Total budget for this academic year If your school is an academy in a trust that pools this funding, state the amount available to your school this academic year	£98,290

Part A: Pupil premium strategy plan

Statement of intent

Our intention is that all pupils, irrespective of their background or the challenges they face, make good progress and achieve across all subject areas. The focus of our pupil premium strategy is to support disadvantaged pupils to achieve that goal, including progress for those who are already high attainers.

We will consider the challenges faced by vulnerable pupils, such as those who have a social worker and young carers. The activity we have outlined in this statement is also intended to support their needs, regardless of whether they are disadvantaged or not.

High-quality teaching is at the heart of our approach, with a focus on areas in which disadvantaged pupils require the most support. This is proven to have the greatest impact on closing the disadvantage attainment gap and at the same time will benefit the non-disadvantaged pupils in our school. Implicit in the intended outcomes detailed below, is the intention that non-disadvantaged pupils' attainment will be sustained and improved alongside progress for their disadvantaged peers.

Our approach will be responsive to common challenges and individual needs, rooted in robust diagnostic assessment, not assumptions about the impact of disadvantage. The approaches we have adopted complement each other to help pupils excel. To ensure they are effective we will:

- ensure disadvantaged pupils are challenged in the work that they are set
- act early to intervene at the point need is identified
- adopt a whole school approach in which all staff take responsibility for disadvantaged pupils' outcomes and raise expectations of what they can achieve

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge															
1	<p>Records show that Pupil Premium and Free School Meal children's attendance is consistently lower than their non-Pupil Premium and non-Free School Meal peers' attendance.</p> <p><i>In the academic year 2021-2022, Pupil Premium children's attendance was 91.74%. Non-Pupil Premium children's attendance was 95.21%.</i></p>															
2	<p>Engagement with curriculum enrichment opportunities is inconsistent.</p> <p><i>In the academic year 2021-2022, 17 out of 19 Pupil Premium children in Y6, and 8 out of 9 Pupil Premium children in Y5 attended their residential.</i></p> <p><i>Club and sports fixture attendance in the academic year 2021-2022:</i></p> <table border="1"> <thead> <tr> <th></th> <th><i>Autumn II</i></th> <th><i>Spring I</i></th> <th><i>Spring II</i></th> <th><i>Summer</i></th> </tr> </thead> <tbody> <tr> <td><i>Children who are eligible for Free School Meals</i></td> <td>15%</td> <td>25%</td> <td>27%</td> <td>39%</td> </tr> <tr> <td><i>All children</i></td> <td>38%</td> <td>42%</td> <td>45%</td> <td>55%</td> </tr> </tbody> </table> <p><i>Whilst this has increased in the last academic year, it is an ongoing focus for our P.E. leader.</i></p>		<i>Autumn II</i>	<i>Spring I</i>	<i>Spring II</i>	<i>Summer</i>	<i>Children who are eligible for Free School Meals</i>	15%	25%	27%	39%	<i>All children</i>	38%	42%	45%	55%
	<i>Autumn II</i>	<i>Spring I</i>	<i>Spring II</i>	<i>Summer</i>												
<i>Children who are eligible for Free School Meals</i>	15%	25%	27%	39%												
<i>All children</i>	38%	42%	45%	55%												
3	<p>Records consistently indicate that a high proportion of Pupil Premium children are also on the SEND register.</p> <p><i>In the academic year 2021-2022, 26 out of the 75 (35%) children on the SEND register were all in receipt of Pupil Premium. In September 2022, there are 57 Pupil Premium children in School, 21 are on the SEND register (37%).</i></p>															
4	<p>Children's questionnaire showed that fewer Pupil Premium children felt safe at, and enjoy, school than their non-Pupil Premium peers.</p>															

	<p><i>In April 2022, 91% of children who are eligible for Free School Meals reported feeling safe at school. 97% of children who are not eligible for Free School Meals reported feeling safe at school. However, 100% of children who are eligible for Free School Meals said that they had an adult at school who they felt that they could talk to if something was worrying them, where only 95% of children who are not eligible for Free School Meals reported the same.</i></p> <p><i>72% of children who are eligible for Free School Meals reported that they enjoy school. 91% of children who are not eligible for Free School Meals reported that they enjoy school.</i></p> <p><i>In the academic year 2021-2022, 21 out of 72 children who received ELSA support were Pupil Premium children (29%).</i></p>																								
5	<p>Over time, Pupil Premium children achieve well but until the end of KS2, Pupil Premium children achieve less well than their non-Pupil Premium peers.</p> <p><i>On track and above at the end of the academic year 2021-2022:</i></p> <table border="1"> <thead> <tr> <th></th> <th>Year R</th> <th>Year 1</th> <th>Year 2</th> <th>Year 3</th> <th>Year 4</th> <th>Year 5</th> <th>Year 6</th> </tr> </thead> <tbody> <tr> <td>Pupil Premium</td> <td>R: 43% W: 0% N: 14%</td> <td>R: 20% W: 20% M: 40%</td> <td>R: 29% W: 29% M: 29%</td> <td>R: 20% W: 10% M: 20%</td> <td>R: 67% W: 53% M: 67%</td> <td>R: 44% W: 22% M: 33%</td> <td>R: 71% W: 67% M: 76%</td> </tr> <tr> <td>Non-Pupil Premium</td> <td>R: 89% W: 81% N: 85%</td> <td>R: 82% W: 63% M: 80%</td> <td>R: 74% W: 72% M: 77%</td> <td>R: 75% W: 71% M: 65%</td> <td>R: 79% W: 64% M: 73%</td> <td>R: 88% W: 73% M: 83%</td> <td>R: 89% W: 85% M: 86%</td> </tr> </tbody> </table> <p><i>Pupil Premium children in Year 6 achieve well but remain below their non-Pupil Premium peers.</i></p> <p><i>32 out of 76 (42.1%) children who engaged with tutoring, made accelerated progress in these targeted support sessions. 46 out of 76 (60.5%) children who engaged with tutoring, made at least expected progress.</i></p> <p><i>This included 19 Pupil Premium children. 14 out of 19 (73.7%) Pupil Premium children made accelerated progress, and 18 out of 19 (94.7%) Pupil Premium children made at least expected progress in their targeted support sessions.</i></p>		Year R	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6	Pupil Premium	R: 43% W: 0% N: 14%	R: 20% W: 20% M: 40%	R: 29% W: 29% M: 29%	R: 20% W: 10% M: 20%	R: 67% W: 53% M: 67%	R: 44% W: 22% M: 33%	R: 71% W: 67% M: 76%	Non-Pupil Premium	R: 89% W: 81% N: 85%	R: 82% W: 63% M: 80%	R: 74% W: 72% M: 77%	R: 75% W: 71% M: 65%	R: 79% W: 64% M: 73%	R: 88% W: 73% M: 83%	R: 89% W: 85% M: 86%
	Year R	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6																		
Pupil Premium	R: 43% W: 0% N: 14%	R: 20% W: 20% M: 40%	R: 29% W: 29% M: 29%	R: 20% W: 10% M: 20%	R: 67% W: 53% M: 67%	R: 44% W: 22% M: 33%	R: 71% W: 67% M: 76%																		
Non-Pupil Premium	R: 89% W: 81% N: 85%	R: 82% W: 63% M: 80%	R: 74% W: 72% M: 77%	R: 75% W: 71% M: 65%	R: 79% W: 64% M: 73%	R: 88% W: 73% M: 83%	R: 89% W: 85% M: 86%																		
6	<p>2021-2022 on-entry data for Reception shows that our Pupil Premium children start school at a lower attainment level than their non-Pupil Premium peers.</p> <p>A greater proportion of Pupil Premium children achieved 6+ steps in progress over the course of the academic year than their non-Pupil Premium peers. End of year attainment data still shows a lower proportion of Pupil Premium children achieving end of year expectations.</p> <p><u>On-entry</u></p> <p><i>Reading: Pupil Premium 14.3% (1 chn); non-Pupil Premium 58.5% (31 chn)</i></p> <p><i>Writing: Pupil Premium 0% (0 chn); non-Pupil Premium 62.3% (33 chn)</i></p> <p><i>Maths: Pupil Premium 42.9% (3 chn); non-Pupil Premium 81.1% (43 chn)</i></p> <p><u>+6 steps Progress</u></p> <p><i>Reading: Pupil Premium 57.1% (4 chn); non-Pupil Premium 20.8% (11 chn)</i></p> <p><i>Writing: Pupil Premium 42.9% (3 chn); non-Pupil Premium 18.9% (10 chn)</i></p> <p><i>Maths: Pupil Premium 0% (0 chn); non-Pupil Premium 1.9% (1 chd)</i></p> <p><u>End of year</u></p> <p><i>Reading: Pupil Premium 42.9% (3 chn); non-Pupil Premium 88.7% (47 chn)</i></p> <p><i>Writing: Pupil Premium 0% (0 chn); non-Pupil Premium 81.1% (43 chn)</i></p> <p><i>Maths: Pupil Premium 14.3% (1 chd); non-Pupil Premium 84.9% (45 chn)</i></p>																								
7	<p>A large proportion of those children requiring SALT intervention are Pupil Premium children.</p> <p><i>In the academic year 2021-2022, 11 out of 26 children (42%) who were referred for SALT intervention, were Pupil Premium children.</i></p>																								

8	<p>Pupil Premium children achieve less well in the Year 1 Phonics Screening.</p> <p><i>In the academic year 2021-2022, 4 out of 5 Pupil Premium children did not pass the Phonics Screening Check in Year 1. 83% of their non-Pupil Premium peers passed the Phonics Screening check.</i></p>
---	---

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
Pupil Premium children attend school consistently so that they have full access to the curriculum and targeted support, as required.	<p>Pupil Premium children's attendance is at least in line with their non-Pupil Premium peers.</p> <p>Targeted support has an observable impact on children's progress in Reading, Writing and Maths.</p>
Pupil Premium children hold high aspirations for themselves and report having positive wellbeing.	<p>Pupil Premium children attend curriculum enrichment opportunities such as school trips and residential in KS2.</p> <p>Pupil Premium children actively engage in their PSHE learning.</p> <p>Pupil Premium children's attendance at clubs is at least in line with their non-Pupil Premium peers.</p> <p>The proportion of Pupil Premium children who report feeling safe, valued, and cared for in school, is in line with their non-Pupil Premium peers.</p> <p>The proportion of Pupil Premium children who require ELSA support, is in line with their non-Pupil Premium peers.</p> <p>In the children's questionnaire, all Pupil Premium learners report feeling like successful, motivated learners.</p>
Pupil Premium children achieve well academically so that their attainment is at least in line with their non-Pupil Premium peers.	<p>A greater number of Pupil Premium children make at least expected progress so that this is more in line with their non-Pupil Premium peers.</p> <p>End of EYFS, KS1 and KS2 outcomes in Reading, Writing and Maths show that most Pupil Premium children met the expected standard.</p> <p>At least 10% of children achieve Greater Depth Standard in Reading, Writing and Maths at the end of the academic year.</p> <p>Targeted support enables Pupil Premium children to make greater progress.</p> <p>Pupil Premium children benefit from regular reading opportunities both at home and at school (evidenced by children's questionnaire).</p> <p>The proportion of Pupil Premium children achieving the expected standard in the Year 1 Phonics Screening is at least in line with their non-Pupil Premium peers.</p> <p>100% of Pupil Premium children in Year 2, achieve the expected standard in the Phonics Screening re-sit.</p>

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £18,750

Total budgeted cost: £98.290

Part B: Review of outcomes in the previous academic year

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2020 to 2021 academic year.

Accelerate the progress of Pupil Premium children.	The vast majority of Pupil Premium children make accelerated progress across the academic year. All Pupil Premium children make at least expected progress.
---	--

End of academic year 2021-2022 (67 Pupil Premium pupils):

	Reading	Writing	Maths
6 steps (expected progress)	23.9% (16 children)	25.4% (17 children)	31.3% (21 children)
7 steps or more (accelerated progress)	38.8% (26 children)	35.8% (24 children)	43.3% (29 children)
<i>Total</i> (6 steps or more)	<i>62.7% (42 children)</i>	<i>61.2% (41 children)</i>	<i>74.6% (50 children)</i>

The majority of Pupil Premium children made at least expected progress in Reading, Writing and Maths. Maths was a particular area of strength for Pupil Premium children.

To help them to achieve this progress, Wray Common Primary School engaged with the National Tutoring Programme and ran weekly sessions for groups of children in Reception, Year 1, Year 2, Year 3, Year 5 and Year 6, focusing on accelerating their learning in areas of learning including Phonics, Language, Writing, Spelling and Maths.

Raise the number of Pupil Premium children who are exceeding end of Year expectations in core subjects and across the curriculum.	More than 10% of Pupil Premium children achieve Greater Depth Standard in Reading, Writing and Maths. More than 10% of Pupil Premium children achieve Greater Depth Standard in all subjects.
--	--

Across the school, 5 Pupil Premium children (7%) achieved the Greater Depth Standard in Reading and in Maths. 1 Pupil Premium child (1.4%) achieved the Greater Depth Standard in Writing.

Significantly fewer Pupil Premium children achieved the Greater Depth Standard across the curriculum than their non-Pupil Premium peers.

	Pupil Premium children	Non-Pupil Premium children
Science	1.4%	27%
Art	9%	16%
Computing	1.4%	22%
Design & Technology	4%	15%
Geography	1.4%	24%
History	0%	25%
Music	1.4%	13%
P.E.	15%	14%
R.E.	6%	20%
PSHE	4%	25%

To improve parental engagement.	All parents and carers of Pupil Premium children attend parents' consultations. Pupil Premium children's attendance improves. Pupil Premium children's punctuality improves. Pupil Premium children's attendance at clubs and engagement with enrichment opportunities, increases.
--	---

In the academic year 2021-2022:

Pupil Premium children's attendance was 91.74%.

Non-Pupil Premium children's attendance was 95.21%.

In Year 6, 17 out of 19 Pupil Premium children attended their residential.

In Year 5, 8 out of 9 Pupil Premium children attended their residential.

Club and sports fixture attendance in the academic year 2021-2022:

	<u>Autumn II</u>	<u>Spring I</u>	<u>Spring II</u>	<u>Summer</u>
Children who are eligible for Free School Meals	15%	25%	27%	39%
All children	38%	42%	45%	55%

Whilst this has increased in the last academic year, it is an ongoing focus for our P.E. leader.

To raise the aspirations of Pupil Premium children	Pupil Premium children will have access to, and participate fully in, the same opportunities and experiences as their non-Pupil Premium peers. Pupil Premium children will have the opportunity to develop their understanding of future opportunities open to them.
---	---

See data above.

Aim to start an annual careers fair for all children did not take place. The objective for the careers fair was to highlight future opportunities for children, to inspire and motivate them in their future learning.
